RE: Amendment 23 to Metropolitan Transportation
Commission (MTC) 2008/2009-2011/2012
Federal Transportation Improvement Program
(FTIP)

Dear Ms. Falsetti:

We have completed our review of your correspondence dated August 10, 2009, and supporting information regarding Amendment Number 23 to the Metropolitan Transportation Commission (MTC) 2008/2009-2011/2012 Federal Transportation Improvement Program (FTIP). We approve this amendment for inclusion into the California 2008/2009-2011/2012 Federal Transportation Improvement Program (FTIP).

This amendment adds and modifies funding for projects from the Transportation Bond Program, the Federal Transit Administration 5307 and 5309 programs, and the American Recovery and Reinvestment Act of 2009.

We find this amendment in accordance with 23 CFR 450 and to be based on a continuing, comprehensive, and coordinated transportation planning process in accordance with the provisions of 23 USC 134 and 49 USC 5303. The elements of this amendment are consistent with the State Implementation Program and conform to applicable air quality regulations. In addition, the funds programmed are consistent with anticipated revenues and the amendment does not conflict with current financial planning expectations.

This letter also constitutes approval of the amendment with the understanding that FTA funding approval on individual projects is subject to the grantees meeting the necessary administrative requirements.

Should you have any questions, please contact Ted Matley at (415) 744-2590.

Sincerely,

Leslie T. Rogers
Regional Administrator
